Just Imagine

You are sitting in the Longbranch Saloon on old Dodge City, drinking your favorite brand of adult beverage, talking to the ever more beautiful Lolita, your favorite (at the moment) soiled dove, when she decides she wants to dance. Some snotty nosed little townie hears her and says he'll dance with her. What do you do? If you bust him up, the sheriff will haul you down to the pokey and the mood is broken. If you shoot him you probably will need to leave town and the mood is broken. You know what to do, it's manly and romantic too, you say "Lets cut cards fer' her." Now the rotten little pipsqueak says "Yah' lets do it"! Her eyes mist over with what you know must be love for you, her hero! But wait, the only deck of cards in the place is in use at Doc's table. He might not want to interrupt his game to save your love life and evening. This dirty little skunk was planning on this when he said, "Yes". Dern him!

But wait, all is not lost; you are a member of the finest Cowboy Action Shooting club in the Northern Hemisphere, THE COWBOYS. You reach into your saddlebags and bring out your own deck of 52, with the club's own logo on the back, and wait, your picture is on one of the cards. You slap it down on the table, he draws the Deuce of Clubs, (one of your own posse members and a dern nice pard) while you draw your own card and win the day, the dance and if you are really lucky, maybe the night with the ever more beautiful Lolita. It could happen just like that, but where to find a fabled lucky deck like that?

THE COWBOYS have decided to prepare as a fundraiser a deck of cards with their members faces in full cowboy regalia and hardware. Of course it will be in color. You can reserve a card number and suit by contacting Youngblood. We will collect a \$25.00 fee at the time of reservation. The cards will be priced as follows: Jokers (4) - \$300.00 each, Aces, Kings and Queens - \$200.00 each, Jacks and Tens - \$150.00 each, Nines to Fives - \$60.00 each and Fours to Twos - \$50.00 each. Each card owner will receive at least two decks of high quality plastic laminate playing cards, the option to purchase additional decks, and if possible the option to have additional cards printed up to use as calling cards when you travel to other clubs to shoot. The club will take your picture on an announced shooting day to ensure standard photos to the printer. At the time of the photo the balance due on your card will be collected.

The funds raised will help the club in the annual expenses of putting on the finest shooting experience in SASS.

We expect to sell out fast. Chose your number and sign on.... It's time to ride.
