

THE COWBOYS

THE ROUNDUP

February 2012

Riding Point

For the first January in 2 years we did not get rained out and were able to have a great match on a beautiful day! We had 132 shooters under blue skies and cool breezes! Long Swede took home the coveted Cowboy Concho for January 2012!

We had some great stage times turned in and more than a few clean shooters. I'm just hoping the rest of winter into spring will keep the rains away on the 4th Sundays for us!

We had some club business to take care of on Match Day as well. We only had one candidate run for the office of Vice President and he ran unopposed, so on Sunday we ratified Bullshooter as our new VP! I have known Bullshooter since I first started shooting and I am thrilled to have him on the Board of Directors. Bullshooter has some great ideas and I know he is going to make a big impact on The Cowboys! I also want to thank Miss Delight and the whole family for their support and dedication to The Cowboys. This is a great way to start a new year!

We are started to plan The Ambush at Mill Creek dedicated to "For A Few Banditos More" and we are really looking forward to making it special again this year. New stage designs, some new props and I promise some fun stuff thrown in as discussed in the last newsletter. We have had casino night on Friday night at the Ambush for the last few years and I was wondering if the membership wanted to continue that or try something new on Friday night? If you have any ideas or thoughts for a Friday night event, drop me a line and let me

know. I will also post this question on The Cowboys of Norco's Facebook page. We would like to know what you think and anything outside of IROT doing the Can-Can will be considered.

The new shooters class continues to grow and it is something for us all to be proud of. We will be contacting the NRA Grant people again to help us support our new shooters class as they have changed some of their policies regarding what we can use the grant money for and hopefully we can get some assistance in maintaining the new shooters class. It is a wonderful program and just breaks even, so teaming up with the NRA is great thing for both organizations!

The range crew is going to continue to stay busy and anyone wishing to come out on the second Sunday of the month and help build and maintain our structures and props on the range are always welcome!

Ridin' The Range - January 2012

And they call the wind –“ Extremely annoying! Man was it windy. There were gusts approaching 50 mph! There were a few tumbleweeds stacked up and some tree branches down.

As we have done the past few years, the January Range Day was a “Play Day” to reward the Cowboys that helped out on the Range Days during 2011. However, due to the wind, a few of us holed up in the Lilly for awhile and others decided to go back home. Around lunch time, the wind slowed enough to do some shooting. The Cowboys that were still around were: Calico Meg, Lawdog Lonnie, Sgt Carter, Smokeless, Washoe Pete, Yellow Bomber and myself.

There were a number of firearms from different eras – Cowboy, WWI ('17 Enfield), WWII (Walther PP and P-38), and modern. We did some sighting in of rifles and a lot of target shooting.

Free Shoot Cards

– In addition to assisting with match setup and takedown tasks, for every two range days worked, we will also give a free shoot card. Just remember to sign in and remind Simple Man or Injun Ryder if we forget to give one to you.

Please remember to sign in on the posted sheet to assure that you are properly credited for your assistance!

All members are invited to join us at the club day on the second Sunday of each month starting at 8:00am to maintain and improve the range for the enjoyment of all. Lunch will be provided courtesy of The Cowboys. Wear clothes that can get dirty, get paint on them, etc. We will try to get in a little practice at the end of the workday.

Any feedback and suggestions regarding range conditions and improvements are welcome. Any members who have special skills, equipment or access to materials that they would like to donate, please contact any Board member.

I'd like to point out that these results match the majority votes of *The Cowboys* membership.

1. Should the scoring program be changed so that any shooter that does not finish TWO or more stages in a match is not eligible for any main match awards?

Voting YES would apply the same criteria currently in place for multiple SDQs & SOGs to DNFs (Did Not Finish) i.e. 2X = Match Disqualification. A NO vote would allow a shooter who DNFs multiple stages to place ahead of competitors who actually completed all main match stages.

1.	No	Yes	Abstain	
	235 82.75%	48 16.90%	1 .035%	Pass

2. Should the limiting criteria for shooters in Age Based categories be changed from the current "minimum qualifying age OR GREATER" to "between the ages of..."?

(e.g. Wranglers from 36-48; 49ers from 49-59; Seniors from 60-64; etc.) A YES vote would no longer allow a shooter to compete in Age Based categories below his/her actual age range. Cowboy/Cowgirl category age range would end at 35 years of age. The Junior (Buckaroo/ette and Young Gun) categories would NOT be affected. A NO vote would leave the Age Based category restrictions unchanged. (E.g. Two shooters with adjustable-sighted revolvers & a 66 or 73 rifle: -- A 65 yr old competitor currently has the option to sign up in FIVE Age Based categories: Silver Senior, Senior, 49er, Wrangler or Cowboy; -- A 26 yr old using those firearms only has ONE option: Cowboy.

2.	No	Yes	Abstain	
	112 39.44%	170 59.86%	2 .70%	Fail

3. Should an "OPEN" category be added with NO RESTRICTIONS regarding gender, age, shooting style or propellant?

This would provide a single category in which ANY shooter could register. (Gunfighter-style competitors would have to comply with the current category regulations)

3.	No	Yes	Abstain	
	130 45.77%	152 53.52%	2 .70%	Fail

4. Should the "B" Western Category options be rewritten to allow for additional ladies costuming options?

A YES vote would have the ROC rewrite the BW requirements to include the suggested changes. A NO vote would leave BW as is.

4.	No	Yes	Abstain	
	182 64.08%	100 35.21%	2 .70%	Fail

5. Should the proposed Category System be adopted?

NOTE: Some of the Ladies categories that have historically been under populated. At many annual matches they are no longer on the "officially recognized" list. Those have been replaced with FCGF, SGF, Cattle Baron, and 80+ (name as yet undetermined) **A Match Director will always have the OPTION to offer ANY additional categories; as well as the OPTION to change the minimum requirement for honoring a category.**

5.	No	Yes	Abstain	
	148 52.11%	136 47.89%	0 .00%	Fail
