

THE COWBOYS CAS COVID-19 WAIVER

According to the Center for Disease Control, the virus that causes COVID-19 is thought to spread mainly from person to person, mainly through respiratory droplets produced when an infected person coughs or sneezes. These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs. Spread is more likely when people are in close contact with one another (within about 6 feet). COVID-19 seems to be spreading easily and sustainably in the community (“community spread”) in many affected geographic areas.

In response to COVID-19, health officials have issued a Public Health Order with the following requirements:

1. *Maintaining at least six-foot social distancing from individuals who are not part of the same household or living unit.*
2. *Frequently washing hands with soap and water for at least 20 seconds or using hand sanitizer that is recognized by the Centers for Disease Control and Prevention as effective in combatting COVID-19.*
3. *Covering coughs and sneezes with a tissue or fabric or, if not possible, into the sleeve or elbow (but not into the hands).*
4. *Avoiding all social interaction outside the household when sick with a fever or cough.*
5. *All individuals must strictly comply with Social Distancing Requirements, except to the limited extent necessary to provide care (including children, adult or senior care, care to individuals with special needs and patient care.)*

While The Cowboys (CAS) can, and does, require that all people who come to the range comply with these Social Distancing Requirements, The Cowboys (CAS) cannot guarantee that all people will comply. Also, The Cowboys (CAS) cannot guarantee that you will not contract the COVID-19 virus while at the range.
